EBERLY SCOUT RESERVATION
2013
SUMMER CAMP STAFF APPLICATION

The Westmoreland-Fayette Council has a great challenge this year to provide the Scouts and Scouters who attend our beautiful camp with a great camping experience. The council is looking for a few dedicated people to serve scouting by being members of the Council Camp Staff. The requirements are stiff, the jobs are demanding, the experience is exhilarating.

The minimum age requirement for a staff position is 15 years of age. There are volunteer training positions for 14 and 15 year olds. All Staff members must be registered with the Boy Scouts of America prior to employment. The Immigration Reform and Control Act enacted November 6, 1986 requires all employees to verify that each applicant is legally authorized to work in the United States. You will also be asked to provide documents to verify your eligibility.

The standards of the Scout Oath or Promise and Law must be adhered to and will serve as a guide for staff conduct. The use of alcohol or illegal drugs will not be tolerated during the period of service on the camp staff. The use of tobacco is restricted to areas where employees are not in contact with Scouts and leaders.

The staff must set an example of excellence in Scouting which includes the proper wearing of the full uniform and proper use of official equipment while in camp.

All summer camp staff members, paid or volunteer, are to provide the camp, upon arrival, with a current health history and results of an up-to-date physical examination.

Salary is based on position responsibility with some consideration given to the individual's tenure and experience.

If you are interested in joining us this summer for an experience that will last a lifetime, complete the attached application and mail to the address below. Retain this page for your information.
